Christianity EXPLORED

“We are more *wicked* than we ever realised BUT more *loved* than we ever dreamed.”

This is the theme of *Christianity Explored*, an evangelistic ministry we plan to run on seven consecutive Thursday evenings from 24th October to 5th December. *Christianity Explored* has proved to be a life-changing experience, as people discover the true nature of the grace of God revealed in Jesus Christ. It is a seven-week course during which the participants can ask any questions they like as they are introduced to the person of Jesus as he walks off the pages of Mark’s gospel.

During the course, attendees will investigate the person, and claims, of Jesus in a non-threatening setting and be challenged to consider his relevance to their own life-situation. *Christianity Explored* is aptly described as “relational evangelism” because establishing relationships between attendees and course leaders is an essential feature of the ministry.

Participants, ideally in their late teens and over, do not need to know anything about the Bible, will not be asked to read aloud, pray or sing, and can ask any questions they want. Many mature Christians have also benefited from *Christianity Explored* since, in addition to providing a “refresher” in the basics of the Christian faith, it offers an opportunity to study the whole of Mark’s gospel over a seven-week period.

The time commitment for participants is 1.5 hours per week for seven consecutive weeks on the same evening (e.g. from 19:30-21:00). The individual sessions include tea/coffee/cake on arrival (at 19:00), a short talk (30 minutes), and two group discussion sessions (30 minutes each) - all in a relaxed and informal setting. The course also includes a “weekend day” which will be held on Saturday 30th November (10:00-16:00).
